

Warranty Policy

Drillers Edge Inc. products are warranted against defects in material and workmanship for a period of one (1) year from the date of shipment of goods. This warranty extends to the shipment of goods from an authorized distributor, provided that the distributor stores the product in a suitable facility and maintains the product in an as-purchased condition. During the warranty period, Drillers Edge will replace products that prove to be defective.

The warranty does not apply to any product that has been installed, altered, repaired, or misused in any way that, in the opinion of Drillers Edge Inc., would affect the reliability or detracts from the performance of any part of the product, or is damaged as the result of use in a way or with equipment or in an application that is not consistent with the intended use of the product by Drillers Edge Inc.

The warranty does not apply to any product or parts thereof where the identification of the product cannot be determined as to have been manufactured and/or supplied by Drillers Edge Inc., by way of serial number marking or other identification method.

The warranty does not cover damage or loss incurred in transportation of the product.

The warranty does not cover replacement or repair necessitated by loss or damage from any cause beyond the control of Drillers Edge Inc., such as natural and weather related events or wartime environments.

The warranty does not cover any labor involved in the removal and or reinstallation of warranted equipment or parts on site, or any labor required to diagnose the necessity for repair or replacement.

The warranty excludes any responsibility by Drillers Edge Inc. for incidental or consequential damages arising from the use of the products, or for any inability to use them either separate from or in combination with any other equipment or products.

Drillers Edge Inc.'s warranty, as stated is in lieu of all other warranties, expressed, implied, or statutory, including those of merchantability and fitness for a particular purpose. The buyer shall pass on to any purchaser, lessee, or other user of Drillers Edge Inc.'s products, the aforementioned warranty, and shall indemnify and hold harmless Drillers Edge Inc. from any claims or liability of such purchaser, lessee, or user based upon allegations that the buyer, its agents, or employees have made additional warranties or representations as to product preference or use.

The remedies provided herein are the buyer's sole and exclusive remedies. Drillers Edge Inc. shall not be liable for any direct, indirect, special, incidental, or consequential damages, whether based on contract, tort, or any other legal theory.
